Notes:

This catalog includes all standard and optional fonts. Standard fonts are those that are included with Tajima DG/ML by Pulse. The list of standard fonts is dependent on the software version. Optional fonts are those available to users at an extra cost.

Not all fonts contain all characters. For a complete list of characters included in each font, visit www.pulsemicro.com/fonts or consult the Tajima DG/ML by Pulse Font Help by clicking on Fonts from the Help menu within the software.

The font categories in this catalog are only a guideline as fonts may apply to more than one category. If you can not find a font you want in a specific category, browse other categories for similar fonts.

Fonts can be purchased individually or in some cases as part of a font pack. Please contact your Tajima distributor for more information. For a list of distributors, visit <http://www.pulsemicro.com/agents>.
